

## EURAXESS ASEAN Flashnote

26 April 2017

### Marie Skłodowska-Curie Individual Fellowships (IF). ASEAN Researchers Eligible. Call Now Open. Deadline 14 September

Are you an experienced researcher thinking about your next career move? Individual Fellowships (IF) fund researchers looking to enhance their career development and prospects by working abroad. There are two types of IF, the European Fellowships and the Global Fellowships. The former are held in the EU or associated countries, while the latter fund secondments outside Europe for researchers based in the EU or associated countries. This action is meant to support the best, most promising individual researchers from anywhere in the world. Only experienced researchers can apply. The call for proposals can be found here <http://bit.ly/mscaIF2017>

### Southeast Asian Chapter of the Marie Skłodowska-Curie Actions (MSCA) Have Formed Their Own Alumni Chapter

If you are a current or past beneficiary of the European Commission's Marie Curie-Sklodowska Actions please join the Marie Curie Alumni Association (MCAA) for networking and collaboration opportunities with your peers. All MSCA Fellows residing in Southeast Asia, and Southeast Asia MSCA Fellows living abroad are very welcome to become members of the Southeast Asia Chapter. Read more [here](#)

### Southeast Asia - Europe Joint Funding Scheme call for Proposals. Deadline 30 June

SOUTHEAST ASIA-EUROPE  
JOINT FUNDING SCHEME FOR  
RESEARCH AND INNOVATION

The EU funded [SEA-EU-NET 2](#) project has launched the first call of the Southeast Asia - Europe Joint Funding Scheme. Eligible for funding are joint R&D projects designed to lead to innovative products, services or processes of significant economic and/or societal value to both Europe and Southeast Asia. Projects must comprise of at least 3 partners (either 2 different Southeast Asian partners and 1 European partner or 2 different European partners and 1 Southeast Asian partner). Priorities are health; Environment/ Climate Change; and Impact of Climate Change. More info [here](#)

### France: PhD and Post Doc Opportunities at the Institut Pasteur. ASEAN Researchers Eligible.

Research topics include immunology, microbiology, epidemiology, virology, parasitology), and public health activities. Deadline is 15 July for the Doctoral grants and 31 May for the Post Doc grants.

### Turkey: - TÜBİTAK "2221" Fellowships for Visiting Scientists and Scientists on Sabbatical Leave. ASEAN Researchers Eligible. Rolling Deadline.

Fellowships offered to researchers who would like to give workshops/conferences/lectures, or conduct R&D activities in Turkey. Three types of visits are granted within this programme: Short-term (up to 1 month), Long-term (up to 12 months) and Sabbatical Leave (from 3 months to 12 months). All types of grants cover monthly stipend and travel costs. Rolling deadline. Details [here](#)

**United Kingdom: UK – Philippines: Joint Health Research Initiative Call for Concept Proposals. Deadline 11 May**

The UK Medical Research Council (MRC), and the Department of Science and Technology (DOST) through the Philippine Council for Health and Research invite concept proposals to the second UK-Philippines Joint Health Research Call. This initiative will provide funding for high quality 3-year collaborative research projects focusing on Communicable and Non-Communicable Diseases of relevance to the Philippines. Apply [here](#)

**United Kingdom: UK – Philippines. Newton PhD Scholarships. Deadline 13 June.**

The programme is jointly funded by the Newton Agham Programme and the Commission on Higher Education and offers full-time PhD scholarships for Filipino researchers at a UK higher education institution from January 2018 until March 2021. Apply [here](#).

**United Kingdom: Newton Fund Institutional Links for Thailand, Indonesia and the Philippines. Deadline 13 June.**

Newton Institutional Links aims to build UK-partner country research and innovation collaborations centred on shared research and innovation challenges which have direct relevance to social welfare and economic development. Seed funding of £50,000 - £300,000 to initiate and support the joint development of research and innovation collaborations between the UK and partnering research groups or institutions. Details [here](#)

**United Kingdom: Research Links Workshop Grants. Thailand, Malaysia, and Vietnam Eligible. Deadline 13 June.**

Researcher Links Workshops bring together early-career researchers from the UK and Malaysia to allow them to make international connections that can improve the quality of their research and open doors to new international opportunities. Details [here](#)

**United Kingdom: Researcher Links Travel Grants Thailand. Open for Application Now. Deadline 13 June**

Early-career researchers will receive travel grants for research visits in the UK for up to 6 months. UK researchers are also welcome to apply for a research visit to Thailand. The programme is open for various academic areas. Apply [here](#).

**ASEAN: Third Batch of SHARE Scholarships for ASEAN Students Open for Applications.**

The scholarship provides fully funded, short-term (one semester) exchange of students from a network of 32 participating universities across the region. It is open to students who have completed at least two semesters of study and have been accepted to study at one of the participating universities. For this third batch, 125 scholarships are available for study in an ASEAN country. Additional 50 fully funded scholarships are available to spend one semester of study at one of the 8 participating universities in Europe. More information [here](#).

**Germany: Germany's "Green Talents Award" 2017 - Open for Application. ASEAN Researchers Eligible. Deadline 23 May**

Are you a young scientist engaged in the field of environmental and sustainability research? Would you like to gain access to first-class research facilities in Germany? Are you interested in sharing ideas and opinions with leading researchers in your field? Then apply for the "Green Talents Award 2017" with which the Federal Ministry of Education and Research (BMBF) promotes 25 young scientists each year in the field of environmental and sustainability research. More info [here](#).

## Interactive Visualisation of ASEAN-EU Co-publications Now Available Online.

Southeast Asia has doubled its share of the world's research publication output over the last decade. The number of annual international patent applications involving ASEAN-based inventors has tripled from the early 2000s to the early 2010s. The EU funded SEA-EU-NET project has analysed ASEAN research output in terms of publications and patents. This data can now be explored in an interactive way in your browser. Details [here](#).

## Germany: Be Part of the Falling Walls Lab in Singapore and Malaysia. Register Now

This event provides students, young researchers and professionals of all disciplines and nationalities an opportunity to present their research projects or ideas in 3 minutes and in English, in front of a non-specialised audience. The winners from the Falling Walls Labs from around the world - including the Falling Walls Lab Singapore and Falling Walls Lab Malaysia- will gather for the Falling Walls Lab Finale in Berlin in November. Details for the Singapore event [here](#). and Malaysia [here](#)

## Join Thousands of Fellow Researchers in the EURAXESS Network

The EURAXESS web portal makes it even easier for researchers, entrepreneurs, and businesses in Europe and ASEAN to interact with each other. The portal contains thousands of job postings as well as funding and fellowship opportunities. Find out more [here](#).
